## Bleecker beauty

**Stacey Bendet Eisner**, the Alice + Olivia designer, was spotted checking out the \$23 million penthouse at 36 Bleecker St., otherwise known as the Schumacher condo building.

The four-bedroom, 4 1/2-bathroom duplex has 13-foot ceilings, an “entertaining lounge” and terraces that include one with an outdoor shower. There’s also a great room with a fireplace and floor-to-ceiling windows with views of the city on one side and the courtyard garden designed by MoMA landscape architect **Ken Smith** on the other. The stunning master bedroom has 16-foot ceilings, a windowed dressing room and a master bathroom with a freestanding tub. Douglas Elliman’s **Fredrik Eklund** and **John Gomes** have the listing.

The entire seven-story building traded last year for \$45 million and has been transformed into a 20-unit loft condo conversion. Eleven units are currently in contract, including one with real estate mogul **Aby Rosen** and another with art dealer **Alberto Mugrabi**.

Bendet Eisner currently lives in LA with her husband **Eric**, son of former Disney boss **Michael Eisner**. The couple have two daughters, **Eloise** and **Scarlet**.
